

Dentons GmbH

Keeping big ventures on track is a team effort—let us work with you to make them all a success.

Our Services

We work in close cooperation with Dentons lawyers. At Dentons GmbH we provide you with comprehensive advice and business solutions concerning all financial and tax-related questions. We offer advice in four key service areas:

- **Auditing and auditing related advice**
- **Corporate finance and service**
- **Tax advice for companies and private individuals**
- **Restructuring**

Dentons can help you achieve your set goals by providing tailor-made, innovative advice. We have long standing experience in providing comprehensive advice from analysis and evaluation to drawing up individual solutions.

You will have a dedicated Dentons GmbH contact throughout the project to ensure that we meet your expectations efficiently. Let our lawyers, tax accountants and auditors guide you through your project nationwide from our offices in Berlin and Frankfurt—whether you are a company, an entrepreneur or a private individual.
